

NOTICE OF PUBLIC HEARING THE BOARD OF SUPERVISORS INTENDS TO LEVY GENERAL BASIC PROPERTY TAX RATES WHICH EXCEED STATUTORY MAXIMUMS The accompanying budget summary requires a general basic property tax rate that exceeds the maximum rate as established by the general assembly. Comparison of the proposed general basic rate with the statutory maximum 3.50000 general basic tax rate and the dollar amount of the difference between the proposed rate and the maximum rate:

| | |
|---|---------|
| Proposed General Basic Tax Rate per \$1,000 of Taxable Value: | 3.90000 |
| Maximum General Basic Tax Rate per \$1,000 of Taxable Value: | 3.50000 |
| General Basic Tax Dollars to be Generated in Excess of Maximum: | 294,967 |

Major reasons for the difference between the proposed general basic tax rate and the maximum basic tax rate:
Establishment of county-operated ambulance service in March 2019 providing substantial benefit to county residents has created need to exceed this basic levy. Continuance of program adds estimated general basic costs totaling \$558,500 and offsetting revenues of \$350,000.
